Stat building game App

**LEVEL
UP!!**

"**Growth sound**" grows only girls, not boys,
has been developed in top-secret.

The sound is secretly played over the school's
public address system.

**Good morning!
Big bro, you're already up.
I'll get ready early too.**

Oh, good morning...

**What is this? Girl growth app?
I don't remember installing this...**

Wow! It looks just like my sister!
Maybe I'll give it a try...

Oh, God! All you do is playing on your phone! I'm going to school first.

Yeah, you go ahead.

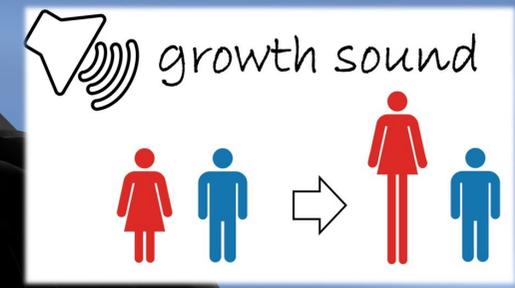

A 3D anime-style illustration of two characters in a room. On the left, a male character with short black hair is shown in profile, wearing a white collared shirt under a green vest. On the right, a female character with short black hair and bangs is shown from the chest up, wearing a black top. The background features a wall with several framed botanical prints of various plants. The lighting is soft and indoor.

Don't be late, big bro!

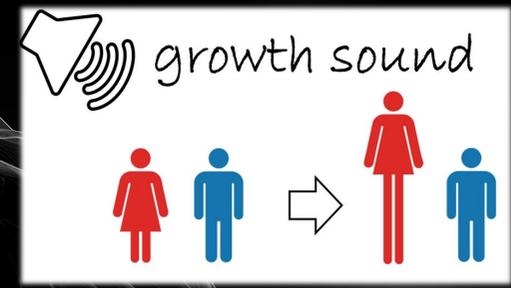

Yeah, I know, I know.

Classroom

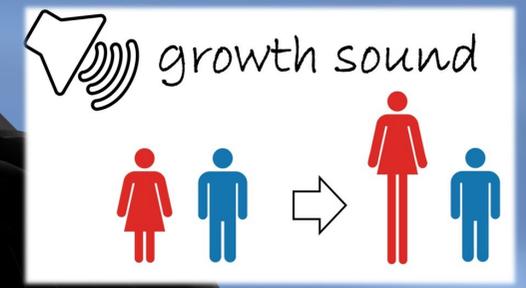

I hear strange noises.

Classroom

I feel weird...

Day 1 130^{4'3"}cm

Day 1 130cm^{4'3"}

3 days later

I just leveled up and my character size went up by one!

Day 3

140^{4'3"}cm → 150^{4'11"}cm

Jump.

What are you doing?

Must be my imagination.
(Come to think of it,
in the game Strength
has also increased...)

I've been feeling
lighter lately...

Eh?
You don't grow
that fast.

Well, I've grown taller.

**It's true.
I grew about 10 cm.**

(Maybe it's because your size
leveled up in the game. No way...)

6 days later

Size's gone up to E!

Vitality has gone up so much!

Day 6

150^{4'11"}cm → 160^{5'3"}cm

**If my hypothesis is correct,
my sister's Vitality must have
gone up. Let's test it...**

"Do sit-ups" is an urgent request, isn't it?

Just do it.

I've barely done any...

1, 2, 3...
Huh? That's easier
than I expected.

46, 47, 48...
I'm not tired at all.

98, 99, 100 !
That's great! I could do 100.

**(That's an impossible increase in strength.
I knew it. I can only assume the app and my
sister are working together.)**

12 days later

She's now a size D!

Now there's a huge increase in intellect!

I wonder if her intelligence has
increased as well.)**

An anime-style illustration of two characters. On the left, a character with short black hair, wearing a white shirt and a green vest, is looking towards the right. On the right, a character with short black hair and large eyes, wearing a black top with a diamond-shaped pattern and a row of buttons down the center, is looking towards the left. The background is a plain grey wall.

How have your test scores
been lately?

Oh, bro!
Let me tell you
about it!

"Yay! I got a perfect score, 100!"

Really? That's amazing! We got the same score.

I also got a perfect score, 100.

No way! I can't believe
I can score 100!

Wow!
Congratulations!

**Guess what? All the girls
got perfect scores, 100!
Isn't that amazing?**

**The test must have
been easy then.**

**But the average score for
boys was 60, so I think it was
actually challenging.**

**(I don't know if my sister is
smart or if the boys are
stupid. I guess I'll just have
to wait and see...)**
